# About Invest India

Established in 2009, Invest India is the National Investment Promotion and Facilitation Agency of India. It operates as a joint initiative of the Ministry of Commerce & Industry and leading industry associations. Invest India serves as a concierge, gateway and trusted partner for investors and collaborators seeking to engage with India's dynamic economy.

The organisation plays a pivotal role in supporting investors through every stage of their investment journey—right from market entry and regulatory navigation to expansion and post-investment support. It also enables strategic planning, policy advocacy and the implementation of investor-friendly reforms that enhance decision-making and improve the ease of doing business in India.

Under its expanded mandate, Invest India is entrusted with two core responsibilities:

- End-to-end investment facilitation — providing sustained support from project initiation to the realisation of investment returns
- Enabling research and development (R&D) partnerships, particularly in deep technology and artificial intelligence (AI), across priority sectors such as electronics, energy, automotive and pharmaceuticals

## 關於 Invest India

Invest India成立於2009年，是印度的國家投資推廣與促進機構。該機構的成立乃基於是由印度商業暨工業部與主要產業協會共同發起的倡議。Invest India致力於成為投資人與合作夥伴的貼身顧問、進入印度市場的門戶以及可信賴的夥伴，協助他們與印度充滿活力的經濟接軌。

本機構在投資者整個投資歷程中發揮關鍵作用——從進入市場、法規導航，到擴展計畫及投資後支援，皆提供全方位的協助。Invest India同時亦推動戰略規劃、政策倡議，以及有助於投資決策與改善營商環境的友善改革措施。

在其擴大任務範疇下，Invest India肩負兩項核心職責：
